Re: Macias et al., v. United States, et al. 1:22-cv-01373-DLC

Dear Judge Cote:

With US Attorney's consent, Plaintiff's attorney requests an adjournment as to this court's order on February 18, 2022, that parties appear on February 22, 2022, at courtroom 18b at 2 pm. The USDA has agreed by the parties stipulation to a stay of the administrative action to withdraw the authorization of the Plaintiffs to participate in the SNAP program until final disposition of this action. The parties have submitted a proposed stipulation and order staying the agency's decision during the pendency of the action, which, if so ordered by the Court, would render Plaintiff's emergency motion moot. (ECF No. 3). In light of the above, the parties respectfully request that today's conference be adjourned *sine die*. The parties are engaged in good faith efforts to resolve this matter and respectfully propose that they provide a further status letter updating the Court on their progress by Friday, March 4, 2022. We thank the Court for its consideration of this request.

Gram Heal.

*A stay for letters
due 3/4/22.
